

Diatech UK Ltd offer wholesale and retail supply of construction cutting and tiling products. The management and all who work at DIATECH UKLTD are committed to the care of the environment and the prevention of pollution.

Diatech UK limited makes the following commitments:

- to protect the environment
- to comply with all legal and other requirements
- to prevent pollution by minimising waste, promoting recycling, reducing energy consumption and reducing harmful emissions
- to endeavour to where practicable and possible purchase goods from sustainable or recyclable sources and, where possible, to work with suppliers who themselves have sound environmental policies
- to continually improve the environmental management system to enhance environmental performance

An essential feature of the Environmental Management System is a commitment to improving environmental performance. This is achieved by setting annual environmental improvement objectives and targets, which are regularly monitored and reviewed. The objectives and targets are brought to the attention of all staff who are committed to their achievement.

In order to ensure the achievement of the above commitments, the Company has implemented an Environmental Management System which satisfies the requirements of ISO 14001.

This Policy and the obligations and responsibilities required by the environmental management system have been communicated to all employees and those working on behalf of the organisation. The Policy is available to the public on request.
